25X1

1. Work on the regulation and deepening of the River Vistula on the Modlin-Fordon sector was due to begin in the autumn of 1953. Similar work is to be carried out on the rivers Bug and Notec.

25X1

2. Soviet specialists will direct the work which is to be done at high speed. [] the Soviet authorities are pressing particularly for the regulation of these rivers so that they can make use of them for military transports to and from the USSR.
